...had the esteem
...Kentucky, who will
...until dead hereafter. In-
...delivering a patriotic and an-
...intelligent address, we find him de-
...fending the infamous and odious Goe-
...bel election law, which no true Ameri-
...can can conscientiously do. We find
...the following false statement accredi-
...ted him in the *Courier-Journal*:
"Pretending to believe the Goebel law was de-
...signed to accomplish their object, without point-
...ing to a single provision of that law that permit-
...ted a shadow of excuse for such conduct, they in-
...dulged in the most intemperate and extravagant
...statements."
First we answer this thus:
"THE DEMOCRATIC STATE TICKET, JUST
...NOMINATED WILL CERTAINLY BE ELECTED.
...EXCEPT THE OPERATION OF THE GOE-
...BEL LAW THE RESULT IS NOT LEFT TO
...CHANCE."—Henry Watterson in a letter to the
...President of the L. & N. R. Co., June 30, 1890.
The Goebel law has been analyzed
...and diagnosed in detail. Every pos-
...sible feature of frauds has been dis-
...cussed, and yet Capt. Ellis fires this
...statement of falsehood into an unin-
...formed people, for their minds to feed
...upon. No man in all Kentucky is so
...ignorant of the real state of affairs
...that have existed since last June to
...this good hour to justify the above
...If such should be, then by all means
...he should inform himself before going
...abroad. Kentucky does not appre-
...ciate such utterances from the lips of
...any man much less from her own sons.
The central triumvirate, created by
...this partisan law, was denounced from
...one end of the State to the other, the
...power given it to appoint county
...boards and remove them at any time
...without cause, was graphically shown
...and bitterly objected to. Watterson
...described the law as an act to deprive
...the State of a republican form of gov-
...ernment, and yet this distinguished
...gentleman boldly asserts that it is a
...fair law. Continuing, he said:
"They sought to involve the public some great
...fraud was about to be committed. What fraud
...could be committed under that law, fairly admin-
...istered, or how it was to be committed, so will
...advised citizens of Kentucky ever know."
The election was held, and a more orderly or
...quiet election than that of November, 1889, was
...ever held in the State.
"If there was a single disturbance, or instance
...of violence, except the disturbance created and
...the violence exercised by the Republican party
...and those who acted with it in the exercise of il-
...legal practices on the day of the election by inter-
...rupting the polls and parading soldiers at the
...polls, the fact has not been recorded."
We have contended all the while
...that this monstrous measure would be
...all right in the hands of angels, but
...angels are never found in politics.
Those well advised citizens of Ken-
...tucky knew, at least they were sagu-
...ine, that the central triumvirate
...would attempt to steal the election and
...rob freemen of a voice in their gov-
...ernment. Every intelligent man
...knows, now that this has been done.
It does not seem real that these quota-
...tions came from a sane man, but they
...did. But this is not all; the further
...a reckless politician goes the more
...vindictive he grows; the more absurd
...his statements, the more false and frivo-
...lous his arguments. Continuing, we
...find this:
"More than 10,000 of the registered voters of the
...city did not go to the polls, they were deterred
...and intimidated by the presence of the military
...forces. The result was that the Republican had
...a majority on the face of the returns of over 3,000 in
...the city of Louisville, when, if the people had been
...left to the free and unobstructed exercise of their
...electoral franchise, that city, the Democratic
...ticket would have carried it by an overwhelming
...majority, as it did in the preceding year."
In the memorable mock contest at
...Frankfort the defeated Goebelites
...failed to prove that a single man was
...debarred from voting. It is known to
...every informed man that there was
...not a soldier on the streets of Louis-
...ville in uniform on the day of the elec-
...tion until 7 o'clock and then they
...were ordered out by Bradley at the
...request of Judge Toney, a Goebel
...Democrat. The above charge is a
...falseness out of whole cloth and there
...can be no apology for it. That the
...soldiers were ordered to the armory
...in Louisville at 6 o'clock Tuesday
...morning, no one disputes, but this was
...by the request of the best citizens of
...the city. Bloodshed was expected,
...because the people were intensely
...worked up over the situation. The
...revolutionary mayor had sworn in 300
...extra police, contrary to the city's
...charter, for no other purpose than in-
...timidation, the people thought.
If any Goebelite was so stupid as to allow
...the State militia's presence in the city,
...commanded by Gov. Bradley, fight-
...ing him from the polls, then he should
...by all means have staid in his berth.

Democratic Disintegration.

"No party can live that identifies
...itself with Goebelism" and certainly
...disintegration and decay are the re-
...wards of the Democratic party for be-
...ing the sponsor and godfather of the
...infamous Goebel law. Honest men
...who have always been Democrats and
...good ones, too, are just now learning
...what Goebelism means in its varied
...phases. As it stands now before an
...outraged people, it induces frauds
...and force and is the chief exponent of
...outlawry. It favors the minority rul-
...ing and will not submit to the major-
...ity. It applauds and sanctions the
...work of Poyntz, Fulton and Yonts in
...disfranchising the counties of Jellison,
...Johnson, Martin and Magoffin. This
...is truly the significance of the
...Goebel conspiracy. It has accomplish-
...ed just what its champions said it
...would do. Time has proven that the
...election was right where the conven-
...tion was—in the hands of political
...buccaners and political thieves. This
...we warned the people would be the
...inevitable result of such a partisan
...measure and the idea was scorned at
...by partisans of the opposition. Men
...who claim to be good lawyers, it will
...be remembered, even took occasion to
...defend the infamous thing in the pub-
...lic press. The *REPUBLICAN* contend-
...ed, from first to last, that nothing so
...partisan was ever hatched in a civil-
...ized republic. All that has been said
...in denunciation of this measure has
...come to pass and more, too. It was
...not presumed that laymen would un-
...derstand the Goebel law and Goebel-
...ism until it was applied, for many
...people of Kentucky allow the politi-
...cians to interpret for them as do
...many Christians allow the clergy to
...read and construe the Scriptures for
...them. But the interpreter has fled
...and now Goebelism stands before the
...people in a state of nakedness, so that
...he that hath eyes can see. Here is
...one honest man who braved the cam-
...paign in the interest of Goebel with-
...out seeing, but now he sees and he
...barketh. Mr. John A. Yates, chair-
...man of the Democratic County Com-
...mittee of Metcalf county, a man of
...character and convictions, thus ad-
...dresses Chairman Young of the Demo-
...cratic State Central Committee:
"Seeing that the Democratic Legislature of
...Kentucky is determined to divide the conduct of
...the Governor and Lieutenant Governor in favor of
...persons who were not elected, and that said Leg-
...islature is composed of persons who are determined
...to maintain the Goebel law, and inasmuch as my
...mind is made up never again to vote the so-called
...Democratic ticket while the said law is on the statute
...books, and while the said Legislature is determined
...to maintain the said law, I hereby tender my
...resignation as Chairman of the Democratic
...County Committee of Metcalf county, and ask
...that the same be accepted at once."
This is but the beginning of a regu-
...lar stampede in the ranks of Goebel.
This is not a fabrication, but a
...real production from the pen of a man
...of honor and distinction. Well might
...one exclaim, as did Hannibal when his
...brother Hasdrubal's head was present-
...ed to him during his campaign of Italy,
..."Carthage, I see thy fate!" Goebel-
...ism, I see thy fate.

Capt. Ellis at Iona.

It is not necessary that we introduce
...Capt. Ellis, for every citizen in Ken-
...tucky knows of him and his works.
His being a member of the State elec-
...tion commission gave him much pub-
...licity. When it was learned that he
...would not assume the responsibility of
...overthrowing the will of the people, to
...elect Goebel, the great masses of Ken-
...tucky citizenship lauded and praised him
...and his name was pronounced
...blessed; but this was temporary. The
...hour that was not and that which
...was is no more, for when the fire of
...Democratic censure and abuse, from
...every Goebel battery in the State, was
...turned upon him, he retreated with-
...out any attempt to defend his position
...of honor, rectitude and righteousness,
...and when his position was stormed by
...bitter charges of desertion, he quickly
...succumbed and left the State in the
...hands of one man, Poyntz. "Than
...whom a blacker character never dwelt
...in hell," by offering his resignation
...from the super-important position
...which he held. If Kentucky ever
...needed a true man, an honest man,
...a spirited man, a man with enough
...backbone to defend the rights of "the
...great common people," this was cer-
...tainly the time. Since the position
...was an unenviable one many people
...of Kentucky would have forgiven
...Capt. Ellis for resigning had he re-
...turned to his home in Owensboro and
...resumed his practice at the bar.
He did not elect to do this. He
...addressed the following address

WOMEN CURED AT HOME.

THE GREATEST OF SPECIALISTS OFFERS TO THE SUFFERING HIS SERVICES AND REMEDIES.

For more than twenty-five years Dr. J. C. Ayer has made a specialty of Female Diseases. During that time he has had among his patients over ten thousand women, suffering from all those many different complaints peculiar to the sex, and has cured more than 80 per cent. of the cases he has treated. By his exclusive method, which he has perfected during the twenty-five years of his most extensive practice, he is enabled to cure all of those different diseases, including painful profuse menstruation, prolapsus, all ovarian troubles, tumors and ulceration—in fact, every form of those diseases which make a burden of life to the great majority of women. He has so perfected this system of his that he can treat these cases by mail, without any personal examination (to which every sensitive woman naturally objects) and without any operation, with its consequent pain and necessary danger. This system of treatment is taken in the privacy of the home, and is entirely painless and its results positive. Write him a letter stating briefly your condition and he will send you a blank to be filled out. He will give you his personal attention and care, and make his life his own to moderate the medicines necessary that you will not feel the burden of the payment of the cure. He will guarantee you a positive cure. Address: J. NEWTON HATHAWAY, M. D., Dr. Hathaway & Co., 809 Church Street, Philadelphia, Pa. MENTION THIS PAPER WHEN WRITING.

Thousands Have Kidney Trouble and Don't Know It.

How to Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or scale indicates an unhealthy condition of the kidneys. It stains yellow. It is evidence of kidney trouble; too frequent urination, too much water, too much salt in the urine, or pain in the back is also evidence of kidney trouble. Convincing proof that the kidneys and bladder are out of order.

What to Do.
